What is the common surname of Michael and Michelle? | CARTER [Only acceptable answer] |

| QUESTION | ANSWER |
| --- | --- |
| **What term**, as applied to an almond custard (pic), was an homage by 16th C. Parisian chefs to Marquis Muzio or Cesare, who created a jasmine-based perfume with a smell like Plumeria flowers to perfume leather gloves? Plumeria flowers are known as Temple Tree or Champa in the Indian subcontinent. | FRANGIPANI / Frangipane |

**QUESTION**

Often dubbed the most popular poster in history, **what** was made in 1862 at the insistence of Francis Donders from Netherlands to eliminate the subjective nature of the methods used till then and carries the name of his compatriot physician who settled on a 5x5 grid using stylised letters and numbers, which he called “optotypes", the most prominent of which is a big E right at the top? Alternatively, you can give its use.

**ANSWER**

SNELLEN Chart / EYE TEST chart / Chart to test Visual Acuity [Accept synonyms]

**QUESTION**

In a spoof ad in the first quarter of 2023, Ford introduced a fictional edition of the Explorer, with several car features removed. Two missing features were turn signals and brake lights, both invented by someone referred to as the "first movie star", and celebrated as the early face of silent films for the Biograph Company. Which group of people's contribution were they highlighting through this campaign? You can alternatively tell us who the inventor was.

**ANSWER**

WOMEN / Florence LAWRENCE [born Florence Annie Bridgwood. It was for Women’s History Month]

| QUESTION | ANSWER |
| --- | --- |
| **Which Hindu pilgrimage**, set in Pakistan’s Balochistan province, involves a desert trek to an ancient cave temple, with rituals that include climbing two mud volcanoes and draws devotees each year from across Pakistan and India? | HINGLAJ MATA / HINGLAJ pilgrimage / Nani ki Haj |

**QUESTION**

William McCarthy was lured to his end in Chicago, where his head was placed in a vise until he gave up the names of his co-conspirator. After getting what they wanted, McCarthy's throat was cut from ear to ear. This scene was exactly depicted in **which 1995 movie**, which is a work of fiction but based on real events? It held the record for the most uses of the "f" word, a record eventually broken by the director's own 'The Wolf of Wall Street' (2013).

**ANSWER**

CASINO [Only acceptable answer]

**QUESTION**

Diclofenac poisioning in livestock has caused the species Accipitridae to dwindle by 97% in India. This has caused associations managing certain structures to examine captive breeding and the use of solar concentrators to prevent bad odours. These difficulties have caused associations now to prohibit use by the offspring of a "mixed marriage", that is, where only one parent is of the community. **What structures?**

**ANSWER**

Parsi TOWERS OF SILENCE / Dakhma / Dokhma

| QUESTION | ANSWER |
| --- | --- |
| This is The Tumbling E chart, also developed by Dr. Snellen which displays just one letter, E, in different orientations and patients can point or move the direction of their head to demonstrate the direction they see, rather than identifying letters. For **which group of patients**, is the Tumbling E chart used as a substitute for the Snellen Chart? | PRE-SCHOOL CHILDREN or ILLITERATE patients [Accept synonymous answers] |

**QUESTION**

The Portuguese discovery of the sea route to India, led by Vasco da Gama, was a pivotal moment in history. The expedition began on 8 July 1497 and the Lisbon shipping line to this (now) island country and archipelagic state of West Africa was the usual one. **What**, being a Portuguese colony, offered a safe and familiar haven for da Gama's ships? If it helps, this **green** country is known for its "morna" music, a soulful and melancholic genre similar to Portuguese fado.

**ANSWER**

CAPE VERDE / Cabo Verde

| QUESTION | ANSWER |
| --- | --- |
